COMMITTEE REPORTS

Ans. Service Chair: Steve M Co-Chair: Heather O

answeringservice@aasj.org

Volunteers did an AMAZING job servicing 80% incoming calls of a remarkably busy month, some doing double shift service until slots are filled. We had 158 total calls... 126 calls answered by our volunteers and 32 by Answercom.

Thank you, Intergroup reps, help recruiting the eight open slots last month... what an all-out effort! All slots have been filled at this time!

As meetings begin to open and people willing to meet others one-on-one; please continue to remind everyone that more volunteers are need for the 12-step list. Areas we need most help: Berlin, Camden, Hammonton, and Salem. We have signup sheets available for anyone wishing to take a copy to their home groups. If you know anyone who would like to be of service, please have them contact us at answeringservice@aasj.org or invite us to speak at your home group.

I am going to reach out to the rehab centers to see if they would be interested in resuming in-person speakers. I am not going to reach out to the hospitals because some hospitals do not even allow visitors for patients.

I am a little hesitant to even start the ball rolling because the last time we did, NJ put new COVID restrictions in place. I do not know that rehab centers will be able to enforce the 6-foot rule because meetings are usually held in a room that would make it next to impossible to enforce the rule.

I know we have tried Zoom meetings before, but we have not had much success with them in the past.
